## HISTORY OF THE COLORED ORPHANAGE OF NORTH CAROLINA

In August, 1882, The Colored Orphanage Association was formed in Henderson, North Carolina, by members of the Shiloh and Wake Associations. The idea was presented by Dr. Augustus Shepard, who noticed during his travel throughout the state the large number of homeless, neglected children.

At a later meeting the Association set out to find a suitable location for the prospective orphan home. Many difficulties were encountered and in October, 1883, a farm of twenty-three acres located one and one-half miles from Oxford on the Raleigh Road, was obtained for \$1565.00. One-half of the price was paid at the time possession was given. The Orphanage was named the "Grant Colored Asylum."

The Grant Orphanage Asylum ceased to exist in 1887 when "The Colored Orphanage Asylum of N. C." was incorporated. The members of the board were Rev. Augustus Shepard, Rev. Joshua Perry, Rev. W. A. Patillo, Rev. Isaac Alston, Rev. J. W. Levy, Mr. M. F. Thornton, Mr. H. E. Long, Mr. Henry Hester and Honorable H. P. Cheatham.

The Orphanage was incorporated as a non-denominational institution to receive children deprived of their parents and means of support, and to train them along religious, moral and industrial lines in order to fit them for useful law-abiding citizens.

When the Orphanage was known as the "Grant Orphanage" Rev. Joshua Perry was elected its first superintendent and Rev. W. A. Patillo was named General Agent. The Rev. Perry served for one year and was succeeded by Miss Bessie Hockin, a Canadian woman, who served from 1884 to 1886. Miss Hockin not only served without salary, but also donated her furniture to the orphan home. She had no income of her own and lived only by faith. It was during that time that Mr. Henry Hester, of Oxford, volunteered to pay all bills contracted in providing food for the orphans. Mr. Hester acted as treasurer of the Orphanage until his death in 1901.

Rev. W. A. Patillo served as superintendent for the year 1886-1887. It was during his administration that Mrs. Adline Cogwell became connected with the institution as matron. Mrs. Cogwell not only received no pay, but worked to help support the children of the institution.

In 1887 the Board of Directors elected Rev. Robert Shepard superintendent without promise of remuneration. Rev. M. C. Ransom gave board to the new superintendent until a three-room house could be enlarged. The enlarged building served as the superintendent's home, boy's dormitory, dining room and kitchen. A few years later a girl's dormitory was built, and near it a laundry building was built.

According to data received from the superintendent's report of 1902-1903, a forty-four acre farm was purchased in 1895 at the cost of \$1,440. A little later an adjoining lot of four acres was bought. In 1898 one acre of land located directly in front of the Orphanage property was bought. On this land a home for the superintendent was erected. It was a frame structure consisting of nine rooms. A small store room in the home was used for storage of clothing. Shoes were kept in an outhouse located in the yard of the superintendent's home.

A few years later a donation of three acres of land on which was located a well built house, was gratefully received. There were on hand numerous applications for admittance that had been deferred because of lack of space. On Thanksgiving Day, 1903, twenty young children and a matron moved into this new home, since space was made available for the new children.

Donations from Mr. B. N. Duke, churches, associations and fraternal orders were received yearly. Produce from the farm supplied the table, and cotton and corn were grown for the market. The proceeds from these sales helped greatly in meeting current obligations. The legislature of the State of North Carolina appropriated \$5,000 yearly to the institution. This amount was increased to \$10,000 during Rev. Shepard's administration. Rev. Shepard resigned his position at Oxford in 1907 in order to help with the establishment of the Orphanage in Forsyth County near Winston-Salem, North Carolina.

Mr. H. P. Cheatham, ex-Congressman and a member of the original board of incorporators, succeeded Rev. Shepard as superintendent. Mr. Cheatham served as superintendent from 1907-1935. In keeping with progressive ideas brick buildings were constructed during his administration to replace the original frame building. The bricks were made on the Orphanage grounds by the boys. The buildings erected were a boy's dormitory, girl's dormitory, chapel, dining room, laundry, and dormitory for small boys. The Angier B. Duke School and Office Building were erected during this time, a gift of Mr. B. N. Duke. The farm acreage was increased until it reached the size of 400 acres.

The Orphanage was re-incorporated in 1927 under the name "The Colored Orphanage of North Carolina." The following were named to the board of directors: M. F. Thornton, M. C. Ransom, J. W. Levy, J. C. Jeffries, J. E. Shepard, N. A. Cheek, Alex Peace, G. C. Shaw.

Under the act of re-incorporation it was authorized that the Governor of North Carolina would appoint five white men of Granville County as members of the board of directors.

In 1935 Mr. H. P. Cheatham died, and his son Charles succeeded him as superintendent. Mr. Charles Cheatham served for two years. At the end of the period he resigned to accept work in a northern city.

Mr. T. K. Borders was elected superintendent in February, 1937. His program emphasized the improvement of living conditions; special attention was given to health, diet, discipline and play. During the administration of Mr. Borders many improvements were made in the physical plant among which may be mentioned the installation of a heating plant in the boy's dormitory, addition of a washing machine and also sewer connection with the main sewer system of the city of Oxford. On October 15, 1940, Superintendent Borders died. The Orphanage was directed by its Assistant Superintendent, Mr. C. A. Alston, until March 1, 1941, when Mr. T. A. Hamme was elected superintendent.

Mr. Hamme found at the Colored Orphanage a definite need for continued physical and cultural improvements and the development of a definite vocational and recreational program. During his administration considerable progress was made along these lines, and efforts were made to have the institution meet standards set by other educa-

tional institutions of the state. Buildings were screened and the interiors renovated. A new modern dairy barn, stable, shop and superintendent's home were erected.

In 1946 a special financial campaign was begun to secure funds for an expansion program which included remodeling of the girl's dormitory, new boy's dormitory, vocational building, girl's cottage and infirmary .

The loss of the boy's dormitory by fire on March 20, 1948, necessitated the use of all available funds to replace the building. This dormitory was known as the Robert Shepard Building. The citizens of the entire state of North Carolina and elsewhere contributed their finances to make possible the new Robert Shepard Building, which has been in use since 1949.

Emphasis has been placed on the development of the individual child to his fullest potentialities. A scholarship fund has been established by Robert Shepard, Oxford mortician, to enable those children who have ability to continue their training above the high school level. Under this program ten children have completed courses of study beyond the high school level.

There have been improvements made in the establishment of a well-rounded vocational program. The Carver Vocational Building, given by the New Farmers of America, was put in use in 1950. The boys are taught shoe repairing, farming, dairying, general repairing and care of the lawns. This training is given through work experience.

The development of a full time sewing department greatly reduced the cost of clothing and furnishes the main part of the vocational training for girls. In addition, the girls are taught laundering, cooking and general housekeeping.

Though there has been no full-time director of recreational activities, there is a realization of the important part that this activity plays in the child's growth. More opportunities for play and socializing minimize the behavior problems of the group. The program is in a stage of development, and at the present time free play, movies, bus rides, outings, ball games, Boy Scouts programs, band and choral activities are the main recreational features.

On April 15, 1951, Superintendent Hamme died. D. O. Leatherberry was appointed by the Board of Directors as acting Superintendent until August 31, at which time Reverend T. H. Brooks was elected Superintendent and began his duties September 1 1951. The steady progress of the past decade is being continued with emphasis on all needs of the children.

The present objective of the Orphanage is to provide physical care, individual understanding of the child and his problems, and to give training to enable the child to become an asset to the society in which he must live. Consequently, greater care is given to the selection of children in order to reduce the number of unhealthy and mental defectives that have been frequently admitted. The children's health has been very good, accentuated by the fact that there have been no deaths or serious illnesses for a number of years.

The institution is continuing to expand its facilities in the effort to meet the ever increasing need for its service in keeping with present day trends. Approximately \$400,000.00 has been raised and spent for improvements of a permanent nature during the administration of

Reverend Brooks. The following lists a few of such accomplishments: new and modern bathrooms in the girl's dormitory; new heating plants in school building, girls dormitory and little boys' dormitory; complete renovation of Cheatham Building which houses the auditorium and dining room; complete renovation of little boys' dormitory and Angier B. Duke School Building and the building of a freezer locker. The Annie Rogers Cottage has been rebuilt and provides housing for a staff member.

In the fall of 1961 a new one-family dwelling unit, known as The Gregory Cottage, was completed on the institution's campus. This unit, constructed of brick veneer, consists of five rooms and bath and was erected for the use of the institution's Resident Manager and his family. The cottage is named in honor of the late Mr. Francis Gregory of Leamington, Ontario, Canada, who had great interest in the Colored Orphanage and was a native of Granville County, North Carolina.

## REPORT OF THE SUPERINTENDENT

Mr. J. W. Goodloe, Chairman  
Members of the Board of Directors  
The Colored Orphanage of North Carolina

Gentlemen:

I am happy to submit to you the annual report of the Colored Orphanage of North Carolina for the fiscal year July 1, 1962 through June 30, 1963.

We come to this annual meeting without the complete and detailed financial information usually provided by our auditor's report. The shortage of personnel in the State Auditor's office made it impossible for that agency to service all of the institutions requiring their aid at the close of the fiscal year. In lieu of this, Mr. Henry L. Bridges, State Auditor, and Mr. A. H. Howell, who usually prepares the audit, visited our office and gave directions for assembling statements to show the financial condition of the institution for the fiscal year. These statements we present to you today. This action also follows an alternate plan of submitting supporting information to our application to the State Department of Public Welfare for re-license for fund-raising during the ensuing year. On completion of the audit you will receive copies of the report as usual.

Our financial contributions from private and organizational sources amount to \$42,834.50, representing an increase of nearly \$2,500 over the previous year. Total revenue from all sources totaled \$177,474.14. Thus, with the Duke Endowment contribution becoming almost static, our revenue followed an upward trend. This indicates an awareness on the part of friends of the institution for our need for additional funds with which to meet the increasing demands of an ever advancing cost of living.

Again, expenditures during the past year exceeded budget estimates by \$8,383.79; however, income exceeded estimates by the amount of \$9,406.28. We ended the fiscal year with a balance of \$4,136.31 in the Maintenance Fund.

During the past year the institution received a bequest of \$5,000 from the late Miss Grace Critcher of Oxford, which was added to the J. G. G. Trust Fund. Interest earned by these funds was \$668.61. This total of \$5,668.61 added to the operational income mentioned previously gives a total income of \$183,142.75 for the year.

We are very grateful for these continued expressions of confidence in our program of child care. Details regarding our contributions will be found in both the summary and financial statements.

We are continuing our efforts to improve facilities in keeping with current trends in homes for children. With the approval of the Executive Committee, expenditures from the Permanent Improvement Fund totaling \$28,239.62 were made for plant improvement and equipment. Details of these expenditures are shown in the attached summary.

Pursuant to instructions of the Board, further consideration has been given to the possibility of increasing the insurance coverage on contents of our buildings. After discussing this with our agent, it appears that we cannot greatly increase this type of coverage without a great increase in the cost of insurance. Under our present financial condition this is not advisable at this time.

Preliminary discussion of the operation of the Angier B. Duke School under the merger of the city and county administrative units reveals that there will be no significant changes at this time. With the cooperation of Dr. Colson these discussions will continue.

Last spring we had the largest group of high school graduates for any one year in our history. Nine orphanage students graduated from Mary Potter High School, five boys and four girls. Two students who were receiving scholarship aid for higher education were dropped. Plans for advanced students this year include five students enrolled in the following institutions: Fayetteville State College—2; Shaw University—1; Winston-Salem State College—1; and Livingstone College—1.

### ACKNOWLEDGMENTS

We wish to acknowledge with appreciation the contributions and cooperation of the following:

The Board of Directors and Executive Committee of the Colored Orphanage of North Carolina.

Governor Terry Sanford.

Mr. Hugh Cannon, Director, State Department of Administration and Budget Officer; Mr. John T. Henley, State Purchasing Officer; and other State Departments.

Mr. Henry L. Bridges, State Auditor, Mr. A. H. Howell, members of the staff, for their assistance in the annual audit of the institution.

Mr. R. Eugene Brown, Commissioner; Mr. Louis G. Christian, Supervisor of Children's Institutions; Mr. John R. Larkins, Consultant on Negro Affairs, and members of the staff of the State Department of Public Welfare; and local welfare departments.

Mr. Marshall I. Pickens, Director, and staff of the Duke Endowment.

Mr. Clark S. Brown, Most Worshipful Grand Master, Prince Hall Grand Lodge of Masons, and subordinate lodges; Mrs. Maggie H. Strong, Grand Worthy Matron, Grand Chapter of Eastern Star and subordinate chapters.

Mr. W. T. Johnson, District Supervisor and N. F. A. Executive Secretary; vocational agriculture teachers, principals, members and friends of the New Farmers of America.

Mr. L. E. Austin, President, officers and members of the North Carolina Interdenominational Ushers Association,

Dr. R. M. Pitts, President, Dr. O. L. Sherrill, Executive Secretary, Moderators of Association, ministers, members and friends of the General Baptist State Convention of North Carolina.

The Woman's Home and Foreign Missionary Convention, Mrs. M. A. Horne, President, and Dr. Ellen S. Alston, Executive Secretary.

Granville County Health Department, Mrs. Thelma H. Talton, Visiting Nurse; Mr. J. T. Welch, Inspector.

Radio Station WPTF, Mr. Graham Poyner, Program Director, and other stations throughout the State.

American Legion, Division VI, Dr. Benjamin F. Smith, Vice-Commander, and Auxiliary Units, Mrs. Violet Pullen, President.

The OXFORD PUBLIC LEDGER, Mr. Tom Johnson, Editor and other newspapers throughout the state.

Friends of Granville County, with special recognition of the individuals and organizations who were active in our annual financial campaign—Dr. H. V. Hicks, Mrs. C. H. McGhee, Mr. Lexie Tyler, Mr. Roy Tyler, the Reverend Frank Smith, the Reverend L. M. Gooch, Mr. Edward Gregory and our many friends who contributed so generously during the year.

## REPORT OF RESIDENT MANAGER

Reverend T. H. Brooks, Superintendent:

1962-63 has been another year of progress for the institution. Many of the objectives started at the beginning of the year have been completed, some are nearing completion and yet there is much to be done.

Activities for the children, both on and off the campus have kept everyone on the move. The athletic program suffered some because of unfavorable weather, and a seige of Asian type flu incapacitated many of our children and some staff members for several months. However, the boys played eleven (11) baseball games, winning nine (9) and losing two (2). The boys also played ten basketball games, winning five and losing five. The girls played eight basketball games, winning three and losing five. The band was very much in demand, making about ten trips throughout the state, some of which were as follows: A concert was held at the Eaton-Johnson Elementary School, Henderson, North Carolina; participation in the Shriners Gala Day Parade at Greensboro; The American Legion Parade at Charlotte; The Homecoming Parade for Shaw University at Raleigh; the Homecoming Parade at Durham; A St. John's Day Parade at Yadkinville; the City of Oxford Christmas Parade and others. The Choir and Instrumental Ensemble were very much in demand making seven appearances on programs throughout the state. The entire student body made three trips to Raleigh as guests of the officials at Chavis Park without charge. There they enjoyed swimming, all the rides and picnicing.

A Halloween party, A Christmas party, movies, ballgames, socials, pitching horseshoes, top spinning and watermelon feasts are the on-campus activities that keep the children occupied in constructive recreation.

An Easter play and a Christmas play added extra interest to the regularly established religious training programs. These serve to train and strengthen the spiritual life of the children.

The Negro Agents of Granville County Agricultural Extension Service were of great help to us in restoring our old orchard with pruning and spraying programs and planting a new peach orchard. The extra production in fruit will aid us tremendously in our food supply and in better nutrition for the children.

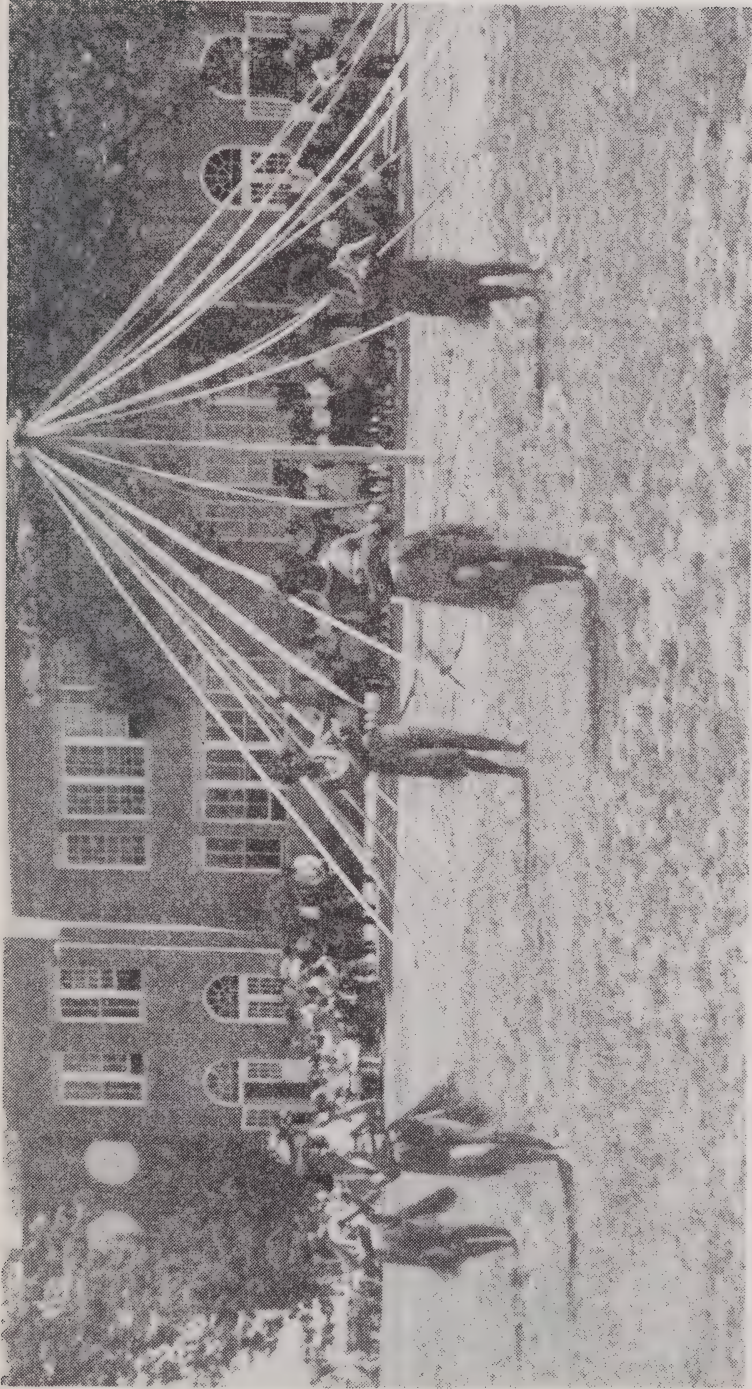

With the erection of another silo and an increase in feed production for the livestock, the dairy and farm operations should provide for a more favorable feeding program this year.

Close cooperation and periodic inspections have kept the cleaning program of the dormitories and food handling service department in line with suggested recommendations of the health inspectors.

The beds of summer flowers, planted by the grounds foreman and his boys are in full bloom, and with the hedges trimmed neatly and the lawns smoothly mowed, the campus is a beautiful place for homeless boys and girls to romp and play.

I sincerely appreciate the work by each staff member and child to help make this another successful year.

S. P. BIGGERS, *Resident Manager*

May Day at The Orphanage

## ANGIER B. DUKE SCHOOL REPORT

Rev. T. H. Brooks, Superintendent:

A desire for continuous improvement in our institutional program provides a constant challenge to our staff here at Angier B. Duke School.

At the beginning of the school year, we started an intensive study of our school program in order to find the weak places so that improvement could be made. The teachers worked hard. Many improvements were suggested. A committee from the State Department made two visits to our school. The committee approved our instructional program. As a result of this study I am sure that many improvements will be made in the instructional program for 1963-1964.

I am very grateful to the staff of teachers, administrative and supervisory personnel, and to the community for their aid and direction in helping us to improve our instructional program.

Our total enrollment of 299 students included 107 students from the orphanage. A total of 36 completed the eighth grade. Fifteen of these were from the orphanage.

Our physical education program was the best we have had in our school. The program was directed by Bowman Burton. The Play Day which was given by the school was a culmination of our physical education program.

The art program under the guidance of Mrs. Sallie Peace was excellent. Many pieces of art from our school were displayed in the Board Room of the City Board of Education.

Your support and guidance were felt in every area of our school program. We are grateful to you for this help.

MRS. L. G. SMITH, *Principal*

Angier B. Duke Elementary School Graduates

## REPORT OF CLOTHING SUPERVISOR

Rev. T. H. Brooks, Superintendent:

Sewing can be relaxing and fun and it's easy to learn. Glamorous new fashions for oneself, attractive, long-wearing clothes for the children; beautiful new slip covers and draperies for your home are yours for the making.

Now the well dressed woman can have more clothes by making them herself. Knowing how to sew can result in satisfactorily providing for family needs and wishes through one's own efforts.

Thus, we have come to the end of another profitable year of trying to teach the "girls of the home" to sew and use their creative ability. Our girls are taught to take care of their own clothing, and to assist in the making and mending of the clothing of the children of the institution.

Our sewing room is equipped with eight modern machines and one portable machine which was donated to the institution. We also have a modern machine in the Little Boys Building and in the Shepard Building, which makes a total of eleven machines at the institution. These modern instruments are an asset to the institution since they aid in producing better constructed garments and add to the efficiency of the sewing done by the girls and are greatly appreciated by all concerned.

The following is a report of articles which were made under the supervision of our clothing department:

- 100 dresses
  - 4 graduation dresses
  - 4 formal gowns
- 150 gowns (winter and summer nightgowns)
- 35 fancy and plain aprons
- 45 work aprons constructed of denim
- 40 boys shorts—constructed of denim
- 50 girls shorts—constructed of denim
- 30 dresser scarves
- 30 dresser skirts
- 40 housecoats
- 10 dusters
- 18 Choir blouses
- 12 sport and dress blouses
- 100 tea towels
- 15 stuffed animals
- 50 pot holders—constructed of denim
- 50 head scarves
- 90 bedspreads
- 10 rain caps
- 12 hats
- 45 pair of window curtains

---

MRS. BERTIE REYNOLDS, *Clothing Supervisor*

## REPORT OF FARM SUPERINTENDENT

Rev. T. H. Brooks, Superintendent:

The 1962-63 farm program, I am happy to report, has been quite satisfactory. Therefore, I wish to thank you and the staff and especially the farm personnel and boys for their assistance, for without their cooperation, the job would have been a failure.

Our crops consisted of corn, tobacco, melons, various fruits and vegetables.

I am very happy to report that the tobacco crop was the best that has been grown here under my management. The total poundage was 8,530 which netted \$4,698.74.

We produced 750 bushels of corn which was good considering weather conditions.

The vegetable crop was produced in large quantities and was used for daily consumption and storage.

We butchered 7,812 pounds of pork and now have on hand 10 brood sows, 1 boar and 43 hogs and shoats.

We do appreciate the assistance offered by those who helped to make this year a most successful one.

J. ALEX ALLEN, *Farm Superintendent*

## REPORT OF FOOD SUPERVISOR

Reverend T. H. Brooks, Superintendent:

Understanding that it takes being well organized to operate our food department, much time has been spent during the past year giving those who work in this department the training needed to operate efficiently.

Realizing that our responsibilities are many and knowing what they are, when they should be done, who is responsible, how the work should be done, where and why, we can be sure that our standards are being reached.

Keeping these standards in mind, we have been able to utilize the following foods:

32 bushels squash  
 99 bushels string beans  
 53 bushels lima beans  
 76 dozen ears of corn  
 1 bushel beets  
 29 bushels turnip greens  
 32 bushels tomatoes  
 55 bushels field peas  
 5 bushels apples  
 9 bushels pears  
 3 bushels garden peas  
 500 pounds cabbage

## REPORT OF SUPERINTENDENT

Of the above amounts the following foods were preserved through freezing in Number 10 size cans:

515 cans string beans  
 129 cans lima beans  
 115 cans field peas  
 83 cans squash

The following items were preserved through canning:

18 gallons pear preserves  
 86½ gallon jars tomatoes

All services rendered are greatly appreciated.

MISS JULIA WILLIAMS, *Food Supervisor*

## REPORT OF DAIRYMAN

Rev. T. H. Brooks, Superintendent:

The Dairy Department is pleased to continue its participation in the training program of this institution. Our major aim, that of being able to produce more Grade A milk, has met with quite a bit of success for which we are grateful.

With the aid of the farm department we slaughtered 2,596 pounds of beef. We also were able to plant 15 acres of corn; to sow 10 acres of grain, and to seed 10 acres of pasture. One new silo was added to equipment already in use during the past year.

## STATUS CODE

26 milk cows  
 11 bred cows  
 4 heifers (too young to breed)  
 3 animals for slaughter

---

44 head of cattle

My thanks to the superintendent and all who helped the program to be an outstanding one this year.

FRANK HOWARD, *Dairyman*

## BARBER SHOP DEPARTMENT REPORT

Rev. T. H. Brooks, Superintendent:

I am pleased, at this reporting period, to have the opportunity to express appreciation to you and your staff for the most excellent cooperation toward making our barber shop activities a success this year.

The students in training at the barber shop are taught the fundamental procedures which include the use of each instrument, the theory of instruments and the practical work of barbering. Six boys were in training during the past year in classes held on Tuesday and Thursday nights for two hours. The barber shop adequately serves the needs of all boys in the institution regularly.

We are looking forward to seeing our new barber shop when interior decorations have been completed. My thanks to everyone for the fine cooperation given the work of the barber shop department.

Respectively submitted,  
E. L. TYLER, *Instructor*

### SHOE SHOP DEPARTMENT REPORT

Rev. T. H. Brooks, Superintendent:

I am very grateful to you and the staff for the splendid cooperation received in helping to make the work of the Shoe Shop Department a success during the past year.

We have seven young boys who are interested in the shoe repair trade and are doing a very fine job. This department only operates two nights per week, sixteen hours per month.

The boys are taught the different grades of leather, the construction of shoes, the name of the hand tools, and the care of machines by proper lubrication, cleaning, etc.

In this department we take care of all the repair for the institution such as half-soles, rips, heels, overshoes, handbags and football equipment.

Respectfully submitted,  
J. M. CURETON, *Shop Instructor*
